KELLY WHITING is a seasoned education professional and Implementation and Support Coordinator (ISC) with LRP Publications. In her current role, she conducts staff trainings in the area of special education, and has presented at several conferences. In addition, she assists school districts, state departments, law firms and advocacies with special education research. Kelly is committed to providing value-added support to ensure increased capacity building in each district by full utilization of ***Special Ed Connection®*** and other LRP publications and resources. Prior to working for LRP Publications, she spent ten years as a public school teacher. She holds a BA in Public Relations from LaSalle University and a BA in Secondary Social Studies Education from University of Delaware.
